Sponsor a String Scholarship

In the Wales International Harp Festival to be held in Caernarfon next April, the Junior Competition will be for young harpists under the age of 19.

Three equal scholarships of £1500 are offered for the three top performances. The Festival's aim is to encourage young harpists to pursue their music studies and create opportunities for them to learn from several internationally famous harpists on the Jury Panel.

Would you like to help the Festival by donating a sum of your choice towards the three Scholarships? In the 2018 Festival, we were very grateful for many generous donations resulting from the "Sponsor a String" appeal. and we hope that the response will be positive again this time!
